

LENS-ONLY PURCHASE & SELF-INSTALLATION LIABILITY WAIVER AND RELEASE OF CLAIMS

IMPORTANT SAFETY NOTICE - PLEASE READ CAREFULLY: Your 7eye by Panoptix eyewear carries ANSI Z87.1 certification, which is achieved **only** when lenses are professionally cut and mounted by 7eye technicians using your actual, inspected frame. Frames worn over time may stretch, bend, or otherwise deform, altering the lens groove geometry from factory specifications. Lenses cut to factory dimensions without a physical frame inspection **may not seat correctly in an already-worn, used frame**, which can result in the new lens not sitting properly on your frame.

WHY WE STRONGLY RECOMMEND RETURNING YOUR FRAME

Our preferred process is for you to ship your frame to our facility. Our technicians will inspect for deformation or wear, measure your actual lens groove, and cut and mount lenses to achieve full ANSI Z87.1 compliance. By requesting lens-only fulfillment below, you are expressly declining this process, and waiving the Z87.1 compliance.

CUSTOMER ACKNOWLEDGMENTS, ASSUMPTION OF RISK & RELEASE

By signing below, I, the undersigned customer, knowingly, voluntarily, and with full understanding, acknowledge and agree to all of the following:

- **Frame Deformation & Fit Risk.** I understand that prolonged wear causes frames to stretch, bend, or warp, changing the lens groove geometry from factory specifications. 7eye cannot verify my frame's condition without physical inspection. Lenses cut to factory specifications may not seat correctly in my deformed frame, which can result in lens failure, dislodgement during use, or serious eye injury.
- **Loss of ANSI Z87.1 Certification.** I understand that Z87.1 compliance requires professional manufacturer installation. Self-installation or third-party installation **permanently voids** Z87.1 certification.
- **Assumption of All Risks.** I knowingly and voluntarily assume all risks arising from self-installation, including but not limited to: eye injury or blindness, facial injury, lens dislodgement during motorcycle operation or upon impact, reduced or eliminated impact protection, and related personal injury or property damage.
- **Waiver & Release of Claims.** To the fullest extent permitted by California law, I waive, release, and forever discharge 7eye by Panoptix and Heavyglare Eyewear, their parent companies, affiliates, officers, directors, employees, and agents ("Released Parties") from any and all claims, demands, causes of action, and liabilities including personal injury, wrongful death, and property damage arising from the lens-only purchase and self-installation herein.
- **Indemnification.** I agree to indemnify, defend, and hold harmless the Released Parties from any and all third-party claims, liabilities, damages, costs, and expenses (including reasonable attorney's fees) arising from my self-installation of lenses.
- **Warranty Void.** Self-installation voids all product warranties, express or implied, provided by 7eye by Panoptix.
- **Voluntary & Informed Consent.** I confirm I have read and understood this waiver, have had the opportunity to ask questions, and am signing freely and without coercion.
- **Minors.** If I am under 18, a parent or legal guardian must co-sign below; no lens-only order will be processed without a guardian signature.

This waiver is governed exclusively by the laws of the State of California, without regard to conflict-of-law principles. If any provision is deemed unenforceable, the remaining provisions remain in full force. Nothing herein shall be construed to waive liability for gross negligence or willful misconduct as prohibited under California Civil Code § 1668.
